From Walid, Vivianne, Jonathan and George Saado: We are very sad saying goodbye this soon for dear friend, not only friend but like one of my family, feels wrong to the person was very close friend, when friendship leaves us through death, we feel cheated in life. Life does not play fair, Tears fall freely over the death of our friend Weeping for eternity would not convey the depths of our feeling of loss, Freddie once called me 'great friend'. We miss him dearly. Friend taken from life too soon is nothing but tragedy. Freddie will be missed and not forgotten. To Rita and Family our deep condolences we pray for you.

“ *I just found out about the loss of one of my favorite cousins, Freddie Surratt, by looking at the funeral home site. My heart is shattered, but I know he is no longer suffering and is in the arms of Jesus. I will see him again in glory and we will dance our way down the streets of gold together! I will always treasure our memories together; especially 4th of July celebrations, where we danced like no one else even existed.*
