“ My condolences to the family during this difficult time...May God lighten your hurt as you go through this time of sorrow for it's not easy.....Eventhough I have not seen Gary Clay in many years, I'll always rem. him from Clintwood HS driving around in that white station wagon when he dated my sister Sandra, he would pick us up for school sometimes and usually had Ronnie (his brother RIP) with him. He was always working somewhere in HS and he was serious and fun at the same time...after graduation he would visit me and my husband in MI, It was always good to see him (except one time when Gary and Porky tracked dirt in on my carpet and I yelled at both of them) they swore they would never do it again and they didn't...they knew better.. Gary was respectful and always offered his help cause that's who Gary was....I miss the good 'ole days us all hanging out and having fun...
Until we meet again RIP
