I know all of your hearts are broken and things will never be the same for any of you. Please let God wrap his loving arms around each of you and comfort you during this difficult time. Peggy, we all grew up together and we are family. We spent so much time together and you guys moved down the road from us and we spent even more time together. I feel like you are a sister to me. You were always so good to me. If I can do anything for you please let me know without any hesitation. I love you with all of my heart. Eunice

“ Gary has left a legacy of his love for his family and his hard working ethics. I worked with him and rode to work with him for about 5 years. I can't remember for sure but I don't think he ever missed a day of work even when you could tell he should have been at home in bed. He always brought hot dogs for every man on the section every Saturday. He will be truly missed. To his family, you all were his world and he was so proud of all of you. Prayers for all of you. “ Gary and I send our sincere sympathy to each of you. I got to know Gary when he worked for Jeff Newberry in Appalachia. After Jeff closed Nehemiah Coal, he worked with Gary. Gary was a hard worker and very respectful when he came to the office. Sending our prayers to each of you.

I know you're in so much!! pain right now, I know how hard it can be to lose someone who was close with you, someone who was family but also a friend, who was not only a friend but also a father. I am so sorry!! for your loss. but just know he is safe in gods hands, know that he is always going to be there with you even if you can't see him but just know you'll always feel him.
