“All of our family are so sorry to hear about Gerald. He was such a fine person, and the same everytime you saw him. He was an old friend to us as we all grew up together, and especially close friends of my brothers: Connie, Roger and Bernard. We never forgot the Stanleys' as they were our close neighbors. Our hearts go out to his Wife Anne, and family. Where you saw Gerald , Anne was there. Always together. They were both a definite inspiration to all that knew them.”

“Ann I am sorry for your loss . I loved Gerald very much. He a would always come out to Mothers when we were teenagers and hang around with me and my brothers. We had some good times. I thought it would be a good thing to have me my brothers and Gerald to start a singing group so we thought we would get a quaret started and sing at churches. Well that didn't get very far but it was fun thinking about it. He went to Smokey Mountains with my parents me and Ray and not sure if both of brothers went . A big black bear got into someones car and tore it all to pieces.Gerald was so afraid the rest of the trip he didn't want to get out of the car. Again I want to express to you and your family how sorry I am for your loss. He was a wonderful person and I will miss him.”
