“ *Glenda was a wonderful lady, she always made me a little fudge and gave it to me every year I lived in Clintwood and worked at the Funeral Home and Ambulance Service. My sincere condolences to all the family I know faithfully she is in the arms of Jesus and would want her family to watch over Elder, I know she worried about him a lot. May God give you piece, strength, and comfort during this difficult time. Bless you all, Paul Mullins*

I remember Glenda from when I was just a little girl. My sister and I would go to her house when we were coming home from mamaw and papaw Kelly up the holler, and Glenda gave us homemade butter biscuits . I can remember she was always so tender and nice . Blessings to Uncle Elder and all of that Stanley family ...

“ My heart is broken for you all my family. It greatly pains me that I am not able to be there with you all. I will always remember great Aunt Glenda as being so full of life and humor. But the greatest life of all is found in our Lord and Savior Jesus Christ, which I rejoice to hear that aunt Glenda believed in Him and served Him. I look forward to that awesome homecoming celebration where I can hug her again in our eternal heavenly home with the Lord! 💔🙏🏾 I pray that the family will draw near to the Lord and to each other, comforting one another with the expectation (hope) of being together with our Savior and King for eternity when He returns! HalleluYah for His awesome promises & faithfulness! 🙏🏾 Ebby Short, Jr.

“ To: Carol, Donnie, Angie and Elder - I am so heartbroken for you all. It would be hard to put into words how much your Mom meant to all of us - the summer in the green house was and is one of our favorite memories. She was so good to all of us and we love you all so much. Keeping you all in our thoughts and prayers now and in the days to come. Love from Janie Galbraith and the rest of the Messer family.

“ *My Aunt Glenda was a loving soul and very protective over those she loved and was always there for us no matter what, the last time I spoke with her she called me baby and told me she loved me and I will always remember that.*
