“Dennis and Don, I can't imagine the hurt you are feeling with the passing of your Mother..I never had the pleasure of meeting her but I know because of the two Sons I have met she was a awesome person.”

“Donald and Dennis, I am very sorry to learn of Aunt Goldie's earthly death but I look forward to spending eternity with her. (1st John 2:25). I hate that time and distance has kept us from seeing much of our each other. I loved your mom and the laugh and great attitude she had when I was around her. I know how much a caring Christian mom is missed and Sherrie and I will be praying for all the family especially on Saturday.”
