“My father, Elmer R. Courtney, asks that I leave condolences from him and my mother, Bessie Courtney. Their hearts are saddened by the loss, but pray Gracie's spirit will soar even higher freed from it's physical bonds. My Dad's voice cracked as he told me the news and I know he wishes there had been more opportunities to visit, but they were always connected through letters, cards, and phone. We ask that God welcomes Gracie into his eternal house with the love she garnered here. Rest In Peace dear sister.”

“ *Very saddened by the loss of my father's sister. I know how much he cared/cares about her and will miss her. I remember our vacation to see her and her husband in the early '70's and how calming the mountains were and looking down on the clouds in the morning. There was the apple orchard, milking the cows, the outhouse, churning butter, and I remember going into town and buying Ace's "How Long" on a 7 inch single. A family full of hope and love. Aunt Gracie will be missed, but always loved and remembered fondly. Thanks for the great memories and all the love.*”
