*A fitting tribute to a fine gentleman. I got to know Harold while working on weekends in Clintwood in early 2000.. Since I was from Lee County, he would always call me "ole Lee county". He was always so nice to me. I know there are many in the area whom he has served graciously throughout the years, especially thru the funeral home. Thank you Harold for your many years of service to your country, your community, and your fellow man. He was loved by many. Our condolences to his family. May he rest in peace.*

“ I met Harold in the early 1960s when we both worked at the Mullins and Steele Chevrolet Garage in Clintwood. We were neighbors with Harold and Jane for a few months back in 1963 when we all lived in the White Star apartments. He was always the same every time we saw him, friendly and easy going. Please accept our sincere condolences.

“ Bro. Harold you will truly be missed by all that ever had the privilege to get to know you, to know that you cared about people and their feelings when they were at the saddest time in their lives and you put them at ease. I thought very highly of you and I will never forget you. It is a sad time for us left behind, but you I believe are at home and smiling and celebrating with the Lord.

“ This gentle, gentleman was part of the extended family of every family in Dickenson County, Virginia! He always was pleasant to everyone that came in contact with him, whether it was at a Church service, a Funeral Service, or in the Grocery store, he always had a warm welcoming smile or a hug. This gentle man will truly be missed by all that ever got to know him. Now, Brother Harold has made his Heavenly flight to a Land where he will be at Home and in the Presence of His Savior for eternity.

“ My deepest sympathy to Harold's family and loved ones. Harold was a substitute school bus driver on my route way back in the 60s. He always had a smile, a hug, and a hello for me when I came to visit Clintwood. He would laugh and joke, always in a good mood. Harold was a calming presence at the funerals for all my family members and friends. He had patience at the graveside allowing time to grieve before the internment. I hope he knew how much he was liked and respected and I hoped he received my card when he first became so ill. Harold, thank you for your service to our country and to our community of Dickenson County. You did us proud!!

“ This is truly a sad time in Dickenson for Harold Stanley was a friend to all. We wish to express our heartfelt sympathy to the family and extended family at Mullins Funeral Home. I can say that he has been my friend for many years and i cherished the meetings in and around Clintwood over the years. It will be sad for me to go to Clintwood and not be able to be met by this great man. He will be missed by both myself and my Sister Shirley Thomas. Our prayers for the family and close friends.

“ Harold was one of a kind. Clintwood...Dickenson County...will never be the same without his presence. He never met a stranger and was a friend to all. Harold always had a story to tell and could remember everything....and I mean everything. I will miss his friendly wave, laugh, ability to make others feel good in times of sadness, and seeing him walking along the sidewalks in town acknowledging everyone along the way. You will be missed, Harold!

“ I am so saddened to hear of Harold's passing. He served a number of different roles in my childhood that I am so happy to have memories of. My favorite perhaps is that he taught me how to tie a tie. He was a remarkable man.

“ When I was little and in Clintwood Elementary, I rode his bus...#30. He was the best bus driver. Always caring about the students. Then, when I got older, whenever he saw me, he always smiled & said hi there. Also, remember him from the funeral home. He was a great man. He will be missed by many.

“ If this is the same Harold that I knew as a teenager, I remember he loved classical, symphonic music. He played it a lot. I also loved that music so very much that I eventually married a man who played in the Houston Symphony!

“ *Mr. Stanley was so good to me. He taught me a great deal about life and about how to interact with people of all faiths, backgrounds, and cultures. I will never forget him giving me the opportunity to drive for him when he was off, always ready with advice or a kind and caring word. I remember the times when we would see Mr. Stanley at the funeral home when loved ones would pass on. I would shake his hand and always feel better. My heart goes back to all of the times that he told me about the different buses that he had driven, the different bus runs that he had, and sharing the many laughs when we would talk about all of the kids he had hauled over the years. I hope that, wherever he is, that Mr. Stanley is behind the wheel and still shaking hands. Godspeed Mr. Stanley!!!*
