"I just watched the video tribute to your daddy. What a wonderful way to remember him. I loved seeing the pictures of him as a small boy and with his family that loved him so dearly through the years. Your daddy was such a sweet and caring man, and his love for his family was clearly visible. We are so sorry for your loss. We love you."

“Daddy, I love you more than words can say. I am so proud to be your daughter. I thank God that he blessed me with such a caring, loving, friendly and amazing dad. You fought a hard battle and in the end you got the most rewarding gift. You got a home with God where you will no longer hurt, you will no longer struggle to breath and you have your halo and wings. I love you and will never forget you. Please watch over me, mom, Krisit, Shawn, and all those precious grandkids. Love, Proud to be your daughter, Amy”
