“Polly and family, I am so sorry to hear of the passing of your Mother. My thoughts and prayers will be with you during this time. Remember, she is in a better place and in no pain. Wish I could attend the funeral services but I will not be able to make the trip but my thoughts will be with you. Love, Regina”

“Mamaw, you were a blessing to all of us. To each of us, you stood for something. I will never forget coming to visit you (1999) and getting to talk to you. I think that's the most you ever talked and believe it or not, I listened to every word. I'm so thankful my sons knew you. I'm so thankful you are in your rose garden with Jesus. I know you will continue to watch over us and love us from there.”
