“ For all the family you are all in my thoughts and prayers. I loved Helen just like a sister and Dewayne like a brother. We will miss her, but she is in a beautiful place that we can't begin to imagine. You are home Helen and someday we will join you.

“ with swollen eyes and a very heavy heart. Can't say enough good things about this woman. not a mean bone in her body (well not until she took off her flip flop and then you better run!). She taught me so much. WE had so many good times. My heart goes out to each and everyone of the family members. I just want to open my arms and hug all of you. You are all in my thoughts and prayers.

SO

“ So many memories...nights spent with her while Dewayne worked, hand waxing the floors, and polishing them by pulling the kids around on upside down rugs, making homemade peanut butter pinwheels, fudge, and other candies in the middle of the night, making me help pickup walnuts when I skipped school (my hands were stained for weeks), and lets not forget the prom she hosted in her basement for all her granddaughters, nieces, and women she loved so dearly. I could go on and on. But, I think my favorite memory is her dancing with my brother during their, most beautiful, 50th anniversary/wedding/vow renewal. She may be gone from this earth, but my memories, and love for her will live in my heart forever. Rest peacefully my sister, my friend, my mentor, my angel. I will forever love you.
