“ My uncle Hank was my hero and ever since I was a little girl I had told him that . He was always there to save me from mean people, abusive situations and just to lift me out of a darkness no one else could ever really see or understand.... I still can not believe he is gone . I pray he is at peace and his soul is soaring high and free . I love him dearly and miss him more than he will ever know , my memories and pictures are all I'll have left of him and I will cherish them dearly.

*What happened, Amanda? I was trying to find him to go fishing but I didn't know this happened. This is unbelievable.*
