“ *Glee was a very special person. Very humble always smiling. Was right by Lacy's side when the angels took him away. God has plucked two roses from this family in a month.....I know they are having a ball right now but we miss them so much. She's probably up there right now telling Lacy I didn't soak my kraut. Kids just hold on to all the memories and make arrangements to meet her in HEAVEN. May God give you all comfort to get through the next days ahead. Praying for all of you. We love you Aunt Glee*”
