“ *Mamaw nothing will ever be even close to normal now that you are gone. Everything is complete chaos. God took the glue of the family when he called you home. I would give anything to have you still here with us as long as you were pain free. I'm so sorry if you are disappointed, but I tried to hold on as long as I could. I had to let go and let God deal with it all. I'm so...sorry! I miss you more than anyone will ever know!*

*Love,
Heather Baldwin Crabtree*

“ *"Irene, Norma and all the family, I am so sorry to hear of the passing of Italy. She was my neighbor for a few years. I always loved her and Clones and such kind and helpful people. My thoughts and prayers will be with you and all the family. I've been through this and its never easy. May you find peace and comfort knowing she is no longer in pain and suffering. I wish I could come and attend the services; however, I am unable to do so, but my thoughts will be with you. Regina (Mullins) Ross"*

“I cried & watched you pass away, although I loved you dearly, I couldn't make you stay. A golden heart stopped beating, hard working hands at rest. God broke my heart to prove to me that he only takes the best. ...I will miss you ,Mamaw peggy”
