*Again I've found myself on this page. Yesterday I had the opportunity to be on the highest point of where Wade came to be with me and the wind was amazing.My promise of sharing ashes there seemed so right and wonderful. Blessed be to the winds .And Jerry was Wade's friend too.*

“ Wade took me into his home when I was 17 and pregnant with my daughter. He was very caring and loved kids. He later rented the camper from Billy Sheppard at 294 Little River Trail. I will always remember him riding his scooter down Little River Trail with his dog Cookie in his lap that I gave him and nobody can try to fish fresh out the lake that Wade could! He will be forever in my heart. And I know he is in a better place! I will never forget the kindness he showed wherever he was and the sound of his laugh! 🥺💛💚💙💔🙏

“ I remember when Wade moved to Clintwood. He came from Ga. to be with Kay, the love of his life. I lived across the road from them and almost every day we would see each other. From that first introduction, we got along fine. We both agreed that Kay's happiness was most important. I told him if he hurt her in any way, I'd dig a hole in the backyard for his Ga. body to be thrown in! He honestly believed me! I've had many precious times with Wade & Kay. I love you Wade! And I love you my Kay!
