“Mrs Layne, James, Brenda, and Gary and families, I am so very sorry for the heartbreaking loss of your loving, husband, father, grandfather, and great grandfather. No words can really express a loss like this and the feelings it brings to the ones who are going through the experience of it. I pray that God will comfort you, and raise you up to Him, help you to be strengthened, making your load a bit lighter through these next days and nights, and weeks, and when it is time, may He wipe the tears from your eyes so that you may go on to know Him, love him, and praise Him. I know that you will all meet again one day, and that our Lord and Savior loves you very much, and is standing right beside you all for now and eternity. Thanks be to God... God bless every one of you, and I will be here in Michigan praying and thinking of you. My love and heart are with yours at this time.”
