“*Sorry to learn of Mr. South's passing. My Dad, Will Jessee, drove the Kern's Bread truck thru Dickenson County for many years and I remember going to work with him on occasion and stopping in at Jim's store. I remember him as as being a good guy and my Dad thought the world of him. My thoughts and prayers to each of you in your loss.*”

“*Greg, Patty, and Jason, Even though I didn't have the honor of knowing your father, I feel as if I have gotten to know him while helping Greg prepare for his funeral arrangements. It has been a pleasure helping you during this unique and special time in your lives. May God comfort you as you say "see you later" to your dad.*”

“*Greg, Patty and Jason, You have my deepest sympathy. I enjoyed watching the video tribute. It captured the essence of the things Jimmy loved most: fishing, gardening and family. I will always remember Jimmy with a smile in my heart.*”

“I wanted to share my deepest condolences. Growing up next door to the South's, I had many wonderful encounters with this sweet man. One that I'll always remember is being mesmerized when he would show me all the arrowheads he had found in his garden. He kindly indulged my sister and I endlessly playing on his wooded property just between our houses :) Such a sweet and kind-hearted man. I feel good knowing he is at peace with his beloved wife in heaven.”
