“We are all so very heart broken at the lose of J-Byrd. He was such a wonderful, caring person. I know personally anytime I had something that was bothering me, and it didn't matter what it was; he was always ready to listen and cheer me up. Also, both of my boys thought the world of him, even though he wasn't their Papaw by blood they always did and always will remember him as "Papaw Byrd". Our thoughts, prayers, and hearts are with all of his family during this very trying time. Stephanie, Warren, Hayden, and Hunter”
