“*My condolences to the Baker family! I have known Jeff, it seems, my whole life. When I stayed overnight at your house and Jeff was there, he always had a smile on his face and always had a kind word .I remember him and Charles sitting at the breakfast table and always finding something to pick on me about but always with a telling grin on both their faces! If we were working in the fields with hay or tobacco and I was too little to do something, Jeff was there to assist and teach! RIP my friend! God Bless you and your family and may the DIVINE PARACLETE bring you all the peace that only HE can impart.*”

“So sorry to hear of Jeff's passing. I remember Jeff mostly for his football skills. He sure was a rough and tough Green Wave. I also did not realize that Dick had preceded Jeff in passing as well. Dick was also a fine athlete as he and I played on the Green Wave Basketball team. My sympathy to the Baker family. Randy”
