“Lawrence was a great man that will be dearly missed. I have so many fond memories of bailing hay during the summer and just listening to him talk about the way things used to be. My thoughts are with you guys and I truly wish i could've made it back for his funeral.”

“Glen, Stephen, and Nancy, We are so sorry to hear of Yogi's passing. He always had a smile that could make our day brighter. He never had anything bad to say about anyone. He came from a very good family. I used to work with his dad Taylor. He was a great person, and he taught me a lot. I think of him often, and I will never forget him. Sue was a great person too, with a very kind heart. She would do anything for anyone. I miss them so much. They were great friends to me. Yogi, you were a great friend too, and I will miss your smiling face. Yogi, RIP. To the family, we are praying that God will wrap his loving arms around you and comfort you during this difficult time. You are in our thoughts and prayers.”

“Farewell my friend and teammate. Yogi was one of a kind on this earth and will be in heaven. I had the pleasure of playing football with Yogi in the 70's and the mis-fortune of playing against him in little league. Beyond the football field, he was a "gentle giant". My thoughts and prayers to the family in this sad time.”

“I am so saddened to hear of the passing of Yogi. As a member of the class of 1976 Yogi held a special place in our hearts. Whether on the football field or in the hallways of Clintwood High he was loved and respected. Our class did not realize what a special gift we were given when Yogi showed up at a recent class reunion. He made us laugh that evening as we shared memories and gave the "YOGI!" chant one last time. As he left us that evening he quietly told us he loved us and would see us again. Rest in peace dear friend.”
