“*To Arlene and family. I'm so sorry about Jess. We just found out about it today. If we had known sooner, we would've come to the memorial. I watched the video memorial and it was beautiful. She really did have a beautiful, contagious smile. I called Erica (she's in Michigan) to let her know of Jess' passing and she is heart-broken. We all loved Jess dearly and have missed having her in our lives. She was a good friend with a big heart and I cannot wait to see her again someday. Our prayers are with all of you.*”

“Arlene my heart goes out to you and your family. I didn't know anything until today, I am truly sorry for not being there for you. My heart is deeply sadden because of this she always felt like part of my family. I loved her deeply and will miss that special smile she could give you when she wanted too. Just remember that God puts is in the valley's to grow and learn that he is always there with us, we can't stay on the mountain top we would never experience the blessings we get when we reach the top. If you need anything Arlene please let me know. Just remember that I will be praying for you all and my love is with you. Love, Dianna”
