“ *I have been thinking alot of the passing of my aunt. She is my last aunt. After her and my cousins moved back to Clintwood I pretty much stayed with them and she treated as one of hers. As we grew older and found our pwn lives we grew apart, but I am so thankful that God gave me the chance to visit with her the last year. She would talk about her and my dad as children. They had a hard life but they loved each other so much and took care of ine another.*
