“ *My husband and I loved Jewel for 13 yrs and visited with her many many times during her stay at the assisted living in Christiansburg . She was born the same day as my mother. We had sweet fellowship after the Wednesday church services with Pastor Bonn where we played and sang. Such a dear sweet lady , precious saint! Will spend eternity together, thank you Jesus!*

“ My sincere condolences to your family. I was looking at all of the pictures of her and her family. I recognized so many family members that stood beside her. I am certain I must have met her as a child, you don't forget a name like Jewell. If she was like her sisters Zella and Harrie, that I remember very well, she must have been a beautiful woman not just on the outside, but on the inside, also. Upon reading her obituary, I admired her education, her faith, and from the pictures the way she dressed. My sympathy to all of you. You were so blessed to have her in your lives for so long. With Sympathy, Tracey Wallen Kiselak-Morton

*My beautiful, sweet Aunt! She was there for me when I started college at Virginia Tech. I remember those cold and "icy" nights when it was not safe for me to drive back to Christiansburg, she would always invite we to stay the night. In addition to her love and warmth, she made the best yeast rolls you have ever tasted!! Such a Grand Lady!
I Love You Jewell!*
