“ Jill and I met in 2000 when our son's started school. Jill and I became very good friends and spent many nights talking in the phone until 1-2am. I'm so glad that I had the privilege to know her and consider her one of my best friends. From field trip days with our boys and becoming someone we could talk, laugh and cry with each other. I will miss her so much but I find comfort in knowing she is no longer suffering. Jill will remain in my heart forever. John, Travis, Danica and Brett, I pray that God brings you comfort during this time. You all are in my thoughts and prayers. Love you always Jill!!! Fly to the angels.
