Loved my brother n law like a brother! He was the 1st to teach is our grandchildren to fish & they were the 1st to buy him his 1st pair of bibs. He wore them proudly & loved them so much, he made another visit to our house to get another pair. He sure put up a good fight at the end that doctors nor nurses could handle him. He was ready & when Ray had left to come home to catch a shower & his 2 boys (Greg & Brian) had just stepped out of the room, Jimmy saw the opportunity to allow the death angel to come in. He told the death angel, it is time to carry me over to the other side cause he had a lot of catching up to do with his girls & Craig needed some help with that ole Zebco fishing rod "fishing on the outskirts of Heaven"..

“ Uncle Jimmy & my dad spent many weekends of my youth fishing on the John Flanagan Lake. It's a memory that will be in my heart for life. He was always a treat to be around. I'm gonna miss him. Hope he and dad are looking for a good place to fish.
