“I loved Aunt Joann and I am praying for this family. I will always appreciate the wonderful person she was to me and the loving support she was to my family when Momma was sick and passed away. Dean, Reva, Melora, and Brad, I love you all and my heart is with you in each day to come as well as the rest of the family.”

“The video is beautiful. You can tell that Aunt Joan had a beautiful life with her children and grandchildren. Also, what a lucky woman she was to have the talented children and brothers sharing and enjoying all the wonderful music and singing. I love the pictures of her with Aunt Ibbie. They looked so much a like and you can tell how close they were. The picture of Aunt Joan and Aunt Mary when they were really young is so beautiful. These days will be hard but somehow you will get through them. She is now reunited with her mom, dad, brothers and sisters and no longer suffering. God bless all of you and I hope to see you soon. (Teresa Barton, daughter of Billie Barton brother of Joan.”
