“ Uncle John will be missed by our family dearly. He shared many holidays and birthdays with our family. He was the life of the party that is for sure with his contagious smile, bringing jokes with loud laughter. He was always the jolliest person ever and made memorable moments with our family. We enjoyed having him when he came to mamaws. You always knew when he was coming we were having chicken and gravy which was he favorite meal. He got his favorite meal regardless as king as mamaw was able to cook it. My mamaw and our family sure loved him! He will be dearly missed. RIP Uncle John

Uncle John will be missed so much especially on the holidays. When I was little I got so excited to see him come to Mamaw Clarice's to spend the weekend. He would play whatever I wanted to play and loved to prank call me. His laughter & jokes will be missed by all of us. He was one of a kind and we love him so much!
