DR

“Kathy, Burita, Anita and families, Danny and I are saddened to hear of Kyle's passing. He was always so pleasant to be around. Danny had told me about when they were younger going fishing and riding their bicycles on the main road from the top of Hibbitt's Hill down by Lick Fork Church. They thought that was a whole lot of fun. If their Mothers had known about the bicycle riding, they would have "worn them out". May God bless all of you. We love you all. Danny and Karen”
