“ Johnny my heart is broken over you leaving us. I have loved you since I was 10 years old when you came to Ohio and trashed the neighbor boy's go cart because he beat us in a race. We have always stayed in touch over the years. Whenever I called, you were always there and ready to come to Ohio. I love you now and always Johnny. I'm so glad I got to talk to you 1 last time. Rest in peace my friend.

I recently found out that Johnny had passed. It broke my heart to hear about this tragedy.  
I met Johnny in the second grade at Davis Elementary. He and I became friends immediately. We did everything together during school hours and then we played together after school. We rode bicycles, hiked through the woods, had overnight sleepovers and did many other things. It really saddens me but I know that he is in a better place.  
Rest in peace my friend!  
You weee a great friend! 🕊
