“When I was very young, three or four, Johnny came to visit us and he brought me a big blue ball. In the forty some years since, he never spoke an unkind word to me. We were blessed to know him and to have his kindness in our lives. Add to that the fact that, if not for him, some of the most incredible people I know would not even exist. Part of him will live on in the lives he touched, the children and grandchildren he had, and the memories he made with us. The oak tree falls, but the acorns will honor it.”

“Will miss you Johnny. Together with my sister you gave me three beautiful, smart, kind, generous and loving nieces and one strong, hard working, handsome, kind, and loving nephew. You will be missed by many but I feel that you are in a better place where you won't hurt anymore. Rest in peace.”

“October 22, 2013 MY PRECIOUS DADDY, Nothing will ever be the same for any of us. I cant tell you how much I Love you and miss you already. Ashton said " I bet Poppy can use his legs and run so fast now. I bet he is racing Deers and running faster than them too"!!! Like Ashton, I find my Peace in my thoughts of you in Heaven, enjoying all the wonderful things Jesus had waiting for you. Yes, I cry selfish tears. I cry them for ME. For YOU I REJOYCE!!!! You will never know how much you mean to me or how much you gave me. You will always live inside all of us who were so blessed to have you in their life. Until we meet again and we will! For now, not forever. I will see you later, Daddy. I LOVE YOU SO SO VERY MUCH!"
