“Dan Roy you had a Father that was proud to call you his son. He loved watching you and taking you to your games and held his head high to know that he had a son like you. You will miss your father greatly but every time you look at yourself in the mirror you will be the reflection of him. You will become the Man that your Father was and love your future children as much as he did you. Von I'm so sorry to hear about Joe, I hadn't seen him in the past year since I'm no longer work at the BP Station. I always enjoyed when Joe would stop in and he would always talk about Dan Roy. My prays are with you during your time of loss. RIP Joe Floyd Singleton Abingdon, Va”

“It is with a sadden heart that I try and type this condolence. My sincere condolences and prayers go out to Joe's family and friends. Not only were Joe and I classmates, but long time childhood friends. I just tried calling him July 23 with no answer. Rest in peace my friend. Your worries are over now and you are in God's hands. We will reunite one day and play as though we were children again. May God Bless you and your family.”
