

joy Lee Cox

October 24, 1959 - October 27, 2023

On Friday, October 27, 2023, Joy Lee Cox, mother of one child, passed away at age 64.

Joy was born on October 24, 1959 to Clarence Cox and Priscilla Mullins. Was raised by Mother Priscilla and Stepfather Doal Mullins. For a period of Joy's life, we watch as she struggled with many addictions during her life, that wasn't the real Joy though. Her family and friends will remember her bright smile, quick wit even while struggling with her demons. Joy enjoyed our family gathers where we played card games for hours. She had an unknown talent to most that she could draw cartoon doodles. She was a motorcycle lover I believe it offered her a sense of freedom. Joy is now at peace; we will cherish the good memories and times that we spent together.

Joy was preceded in death by her father, Clarence and her mother, Priscilla. Her brother Brian and sister Dorothy. She is survived by her only daughter Tina and grandsons, Dalton and Wyatt. She also leaves behind her brothers Clearance, Martin, Darrell and her sister Tonda. Also, several cousins, nieces, and nephews.

Services will be private. Mullins Funeral Home, 210 Dickenson Hwy Clintwood, VA is assisting the family with arrangements.

“ Joy you are truly one of a kind, the mold broke baby that's for sure. You was always a pure soul, definitely what u seen is what you get. U told me I made u smile n happy that I was good for your soul I appreciate that and carry those words with me daily. I miss u now n will miss u forever the world just got a little quitter, a little duller, and a little dimmer. I love you Joy so big.
