“Jennifer, Annette, & Genny, We were soo sorry to hear about the passing of your mother. She was truely a very sweet woman. Due to illneses and Doctor appointments in Nashville, we were unable to visit with you all or attend the funeral. We know what you all are gong through. We want to assure you that God will be there for you. He will comfort each of you and ease the grief and pain you are feeling. We will be praying for all of you. Just remember that God loves you and we love you all too.”
