“ Jay and I send deepest sympathy to Joyce's devoted family. Knowing and loving Joyce has been one of the highlights of my life. She was one of the best friends I've ever had and I will cherish always the fond memories I have of the good times (and sometimes bad) we experienced as the closest of friends and gleeful partners in mischief. Very sadly, Joyce's passing marks the end of an era in our community because she truly was a pillar of the community-- friend to all and never faltering in her efforts to make this world a better place. She truly was one of a kind--the very best kind, and I shall miss the strength just knowing she was around always gave me at the darkest of times. Rest in Peace, dear, dear friend.
