“ *Ever since I was the flower girl at 6 years old Judy and Don have held a special place in my heart. Watching their love grow through the years was an inspiration. My heart aches for the loss of our precious Judy. My love and prayers go to Don and her children and grandchildren and great grandchildren that she loved so much. Love and prayers to Hope and Bobby Don and families and all her aunts, uncles and cousins who dearly loved her. May God wrap all of us in his love and comfort.*

“ Such a GREAT lady. She was my mother’s niece even being 2 months older, but they were like sisters growing up. She would always confuse people by introducing my mother as her aunt. R.I.P Judy. You will be missed. Love Always.

“ Judy was our next door neighbor for many years. She was the best cook and shared with us often. The bread she made was my favorite. As my parents aged she went out of her way to check on and provide them with anything they needed on a regular basis. She and I became good friends and kept in touch by phone after she moved away. I visited her last year and so thankful I did and was planning to go again this Spring. She and Don ,along with some other friends ,were able to go with me to one of her favorite events ,Sunfest, in Ocean City about 8 years ago.when my parents were alive we attened yearly so many years. While I feel so sad to lose her I am reassured she is rejoicing in heaven with my parents and her family. She was so special to us. I'll never forget her and will hold a special placed for her in my her heart .
