“ God has just got em a great young lady that can sing like an Angel. We remember Judy singing the Etta James song "At Last" at our daughter's wedding in 2007 and it's a moment we'll never forget. "Go rest high up on that mountain" and rest your weary bones.

Alice and Ronnie, I'm so sad to hear about Judy. She was my best friend and always such an encourager. I stayed all night her just about every Friday night during our Junior and Senior years. Your parents were always so nice and kind to me. Your mom made the best scalloped potatoes I have ever eaten. Praying for God's grace to help you and we know that there will be a glad reunion day. With love
