Judy was loved by many, and she had the biggest heart for her loved ones. She would help anyone in need. My mom was so full of love, and she loved her daughters and grandchildren very dearly. She fought as long as she could. With her passing, she has left a hole in many hearts. But the love she poured out will continue every day. She may not be with us here on earth, but she will forever be in our hearts. Mom's favorite places were Bear Pen Park and Birch

Knob. She would sit for hours at the park with her dog Scooby, who was her best friend.

Services will be announced at a later date.

“ *I grew up living across the road from the McFall family on George's fork. Lena, Judy Gale's mother, died when I was very young. Seeing Judy Gale brought back memories. She looks so much like her mother. Lena was a sweet, caring woman and was so proud of her children. I'm so sorry for the loss of Judy Gale.*

Apparently I read the obituary incorrectly. I thought Judy was from her father's first wife. I apologize. I was very young so maybe it is Betty I'm thinking of.
