“ To Judy's family and friends, I am so sorry for y(our) loss!! I have many happy memories of times spent with Judy and Arnold in the late 60s When we were young and mostly dumb country bumpkins in the big cities of Northern Virginia. We didn't have a lot but nights playing board games, cards, etc., brought tons of fun. And then of course Judy was studying to be a phlebotomist and needed someone to practice on -- ouch! These will always be special memories. I'm sorry we lost touch!!
