“Dee & family, just want to let you know we love you and are so sorry for your loss, I cant even begin to understand your loss, he was such a blessing from GOD, and you took wonderful care of that little angel, each picture brought a new smile to my face. My pray for you and your family is that the Lord help you through this time. I have thought about how lost you are each day, I know what a great mother you have become to your children, but he was special and needed so much more of your and you found a way to provide for all three, who knew the little girl I met so many years ago would grow up to be a special young lady, we love you, and GOD bless.”
