“*My dear Aunt Kay was an awesome historian who always strove to tell the facts and view things objectively. I will always appreciate her endeavors to dig deep into the truth of matters. I applaud her for donating her body to science! My heart goes out to Frank and Jason who surely will miss her dearly. What a terrific lady to call your mom! I look forward to welcoming her back in the resurrection (John 5:28,29)*”

“*Calvin, so sorry to hear of Karen's passing. She was a sweet lady and I always enjoyed talking to her when she came into the courthouse to work on geneology at the clerks office. May God comfort you at this sad time.*”
