

Kathryn Smith

August 12, 1937 - May 9, 2025

Kathryn "Kathy" Bernice Johnson Smith

August 12, 1937 to May 9, 2025

Kathy went to be with her Lord on May 9, 2025. We all wish her peace at last.

She was the daughter of Amos Johnson and Suzy McCoy Johnson.

She was preceded in death by her brother Homer Johnson, and sisters Juanita Johnson and Margaret Jane Johnson Smith.

She was the wife of Louis Glen Smith (from the Clintwood Post Office, for those of us at a certain age.)

He loved her just as she was and did everything he could to make her happy, but her illness didn't allow her to see that.

They were divorced after 34 years, at her request. He continued to make sure she was well funded and had all she needed even after his death. She had the best of care when she could no longer care for herself.

Bountiful thanks to the staff at Abbyshire for giving her the happiest times of her life and to Mullins Funeral Home for bringing her home with grace.
