“*"Kay was a one of a kind honorable lady with such grace and poise. She knew exactly what to say and how to make you feel you were special. At our last class reunion, I had the privilege of registering our classmates with her. The class of 1970 will never be the same and Heaven has definitely gained a Bright Star. Jim, I am so sorry for your loss and pray God's peace will surround you in the midst of this storm. As the song says*
