“ We are so sad to hear of the passing of Kenneth. He was always so good to our children when they were growing up. Sending love to Dale, Randal, Michelle and my beautiful friend Louise. Please let us know if there is anything we can do for the family. Kenneth is resting now....

Thank you for your kindness. Mother would appreciate it very much. Though these days she is as home with Hospice care and Dale cares for her most of the time.
Thank you again

“ He was less than a week a way from going back into Heritage Hall. He told me he did not want be any where but Heritage Hall in Clintwood.
As most know, he was in terrible condition. He weighted 147 lbs and too weak to fight the dehydration, organ failure, pneumonia , malnutrition and sepsis that had set in. He lay in a coma better part of 10 days. During that time he had multiple strokes. The last few hours before he died, he came too for less than 15 minutes . Saw my face and tried to say" Sissy" and tried to cry. I was blessed to have that time. He isn't hungry or dirty, or scared anymore. Life is short and this is a temporary condition, make peace with our Lord above all things.

“ *My son is Brett Powers. Kenneth, along with Louise, used to babysit him. I can remember how Kenneth loved playing with Brett, would take him places, and loved teasing him as a child. Brett always considered Kenneth as a "2nd Grandpa" and loved him dearly. I will forever be grateful that Brett had him in his life.*
