“Ketti was someone I met in my college years while working at RiteAid. We had great times there for over a year that I will never forget. Later we rekindled our friendship when I began working at the gym. She always had a grin for me and we always found something to laugh about...always. I'm so sorry to hear of her passing and I will keep her boys and family in her prayers. Her boys were her life and she was very proud of them both.”
