“ *I will certainly miss one of the best individuals I've ever had the pleasure of taking care of as a Hospice Nurse and adopted as my granddaddy. He and sis (Elizabeth) showed so much love to each other and loved each other so much. They both are a God given Blessing to me. He loved the Lord and we had many discussions about our Faith. I will greatly miss the times we had laughing and cutting up. I will Cherish those memories forever. I love you granddaddy, thank you for the kindness and love you gave me*💙

“ So many of my childhood memories include my uncle....the one and only Larry Bowman....always full of life, grand tales and many adventures. He was genuine and kind. And he was a HOOT!! He will be missed but I know stories of him will live on and on. Much love to you Coogie..... what a treasure you have been to him! Recently I heard him say "you are the most beautiful woman I have ever seen. I love you!" He meant that and has for over 53 years. Thank all of you for sharing him with us. Love, P-Nut and Roger

I will miss Larry, he was always smiling and so happy go lucky. He was a joy to the people at the nursing home when he volunteered for Bingo every Monday. He will be missed by so many.
