“ *I always loved my time spent at Aunt Launa's when spending time with Connie. I remember what a wonderful cook she was, and that she was always good to me. I remember sitting on the back porch with her and Connie and helping her string up green beans to dry. I loved eating those dried beans when she cooked them and she always had something good for dessert! It is so sad to lose those we love, but also so hard to see them in pain. She is at rest now, but will always remain in our memories.*

Connie and Bob, may God bring you comfort in the days ahead in knowing she is at peace.

Love,

Anne Eva Thurman

“ *My aunt Launa was the sweetest, kindest woman. I spent many summer days with her, my uncle and cousins. She spoiled me. I have so many fond memories of her. She was always on my side! She will be sorely missed.*

Connie and family, I am saddened to hear of the passing of Launa. She was one of the Skeetrock icons. She was always so helpful in time of need. I remember her kindness and feel so lucky of have known her for so many years. She will remain in my memories. Sending love and prayers.

She made the best Swiss chocolate cake . Always saw her sitting on the porch or walking Still catch myself looking for her as I pass her house. Someone else might live there but to me it will always be her house.Mother always enjoyed visiting with her as they took their daily walks They were from the old school and much tougher than us younger people. Love and prayers to the family.

Aunt Launa was such a kind, loving person who always put others needs in front of her own! I too will always remember summer family vacations in Skeetrock, spending time with her, uncle Manas and cousins Connie and Bobby.

I always loved that she let me spend the night with them while we were there too. She always went out of her way to make me feel special when I was there right down to feeding me breakfast on the back porch so I could sit with Uncle Manas. I so enjoyed being around her growing up.

My favorite memory was her always making sure they had plenty of Mountain Dew on hand for my visits!

Rest in peace and enjoy God's kingdom Aunt Luna, you're no longer in pain and reunited with Manas forever!
