I remember the late nights when we would stay up drinking coffee and laughing. I also remember the Thanksgiving that we spent together and I made the applesauce cake. She love it. She was like a sister to me even if she didn't know it. Heaven has gained a very special and beautiful Angel. Love you.

“ *She wasn't just my aunt she was a second mother to me. There's never a moment in my childhood that she wasn't a part of. I have so many fond memories of staying with her growing up during the summers and Billy and Cassie always staying with us. We grew up as brothers and sisters more than just cousins. Lisa always had a smile that would light up the room and a laugh that was so contagious! She had a heart of gold and I'll never forget the random phones and going to sit with her and Cynthia for hours to just talk. Or the 3am phone calls on my way home from work in JC she would make sure I didn't fall asleep. She may be gone but never forgotten!! Heaven gained one gorgeous angel who is missed and loved dearly by so many! I love you aunt Lisa always and forever ☺*
