“*With such a sad heart I try to write a word to the family at a time of such a great loss. Uncle Lloyd has lived his life in the manner that any man should. He was a faithful man of Christ, Husband , Father and Grandfather who never hesitated to let you know that to be at peace you had to love the Lord in the manner he did. Aunt Goldie, Catherine, Sharon, Betty and Brian.. also to all the grandchildren and great grandchildren, I love you.. and know that in my heart I am with you all.*”
