“ *My mamaw was someone i could always go to when i needed her. She was always there and i will miss that about her. Its Hollie mamaw, and i miss u so much everyday. There is not a day that goes by that i don't think about you. You were always so loving even though I did things that you didn't approve of all the time. You will be greatly missed, and you will live on in my heart forever and always. I know your in a better place but I wish I could have said goodbye. You meant so much to me and I will never forget all that you did for me. I love u mamaw*
