“ Dearest Tony and Family,
I am so saddened at the loss of Lois Marie.
She has been a part of my life for as long as I
have been alive
We have shared many precious and
treasured times together.
Many of my happy childhood memories were with Lois Marie.
We played outside together and chased each other around the
hillsides at Grandpa and Grandma Hill's yard and spent nights at
each other's homes.
Our Dads were brothers so they would go fox hunting together and
she would get to spend the night with us while they went.
Mom would let us stay up late and play Red Rover in the dark.
Mom and Lois would stay up even after we fell into bed exhausted
and make Peanut
Butter Fudge and talk.
It was a highlight in our lives to get to have Lois Marie spend the
night with us or for us to get to spend the night with her.
We played old vinyl records and Lois Marie would teach us how to
dance.
Lois Marie was a very bubbly , affectionate and happy girl when we
were in
High School.
We were in different grades but we still managed to see each other
at the smoking area and at some of the little places that we would
hang out at near the school.
Once she met you Tony she spoke of you all of the time and was so
in love with you
it was obvious that you were her world.
I know that you and your family will miss her so much but, you
can rest assured that she is now with one who loves her even more
than we do and...
that we who know Jesus will see her again.
She won't be sick anymore or short of breath, every tear will be
wiped away
by Our Saviour and I believe rest and peace that are indescribable

will be hers.

I am so blessed that The Lord allowed Lois Marie to be part of my family twice..once by earthly birth and again by heavenly birth.

I will treasure these thoughts and memories until I see her and all of you again in God's Kingdom.

Know that my love and thoughts and prayers are with you all and will be in the days ahead.

Much Love ,

Your Cousin and friend forever

Violet Marie
